Emergency Preparedness Exercise – Volunteers Needed

In the event of widespread disease, the Loudoun County Health Department would need to coordinate numerous mass dispensing sites throughout Loudoun County, providing medications quickly to our citizens. Thus, on **Saturday October 22**, we will be testing our ability to keep our citizens safe from disease by setting up a mock mass-dispensing site at Potomac Falls High School in Sterling. In order to truly test this plan, we need a large number (1500-2000) people to volunteer about 3 hours of their time to serve as "patients" for the day.

Volunteers will walk through each area of the dispensing site testing how quickly and appropriately medicine is dispersed. By participating, volunteers will play a key role in ensuring the county is prepared for an emergency. They will get a first-hand look at how these sites would operate if there were a true outbreak.

Anyone can volunteer, regardless of age or county of residence. More information about this exercise, as well as a sign up form, is available online at www.loudoun.gov/health/volunteer.htm.

HOT JAZZ FOR A COOL NIGHT...

Loudoun Volunteer Caregivers (LVC) will host the 2nd Annual "Hot Jazz for a Cool Night" fall fundraiser at Tarara Winery on Thursday, October 20, from 7 to 9 p.m.

LVC promises an enjoyable evening under the stars featuring fine wine, great food and the entertaining music of local piano personality Bill Edwards and vocalist Kelsey Pederson. The event also features wine tastings, cave tours and a silent and live auction. All proceeds will benefit the "Neighbors Helping Neighbors in Need" programs that LVC provides to Loudoun area seniors.

With more than 200 local volunteers, Loudoun Volunteer Caregivers, a *Faith in Action* program, provides assistance to frail elderly and disabled adults through a wide range of services from transportation to medical appointments and grocery shopping to visits by LVC's certified pet therapy teams and participation in AARP's Money Management Program.

This year, LVC volunteers have already provided more than 7,000 hours of service and logged nearly 50,000 miles in assisted transportation.

OPEN SPACE COMMITTEE

Community Walk-thru a success

A "special thanks" to Dan Thomsen, Ralph Wiechmann, Sunita and Jay Ruhnke, Rick Ciotti, Steve Christian, Bill Stewart, Cheryl Zimmerman, Eric Johnson, Gift Martin, Jackie Gillispie, Jim Cryer, John Wolter, and Kevin Knopf who volunteered their time for this year's community walk-thru.

As a result, we have compiled a list of items that need attention. The list ranges from landscaping maintenance, debris clean up, streetlight and signage needs, fencing, future beautification projects and much more. The Open Space committee submitted a multi-year plan to the HOA Board with a recommendation of timing, along with budgetary suggestions.

Safety Notice to ALL

Parents & Drivers

The safety of our streets is a growing concern within the Spring Lakes community. We continue to have drivers exceeding the speed limit as well as unattended children playing in the streets. This is a deadly combination.

Increasing the potential risk factor is that neither party is aware of the other: drivers are not only speeding, they are talking on their cell phones, ignorant of their surroundings. Children are busy playing, forgetful of the threat of the oncoming cars.

This is not a one sided issue. Both drivers and parents must take responsibility for their actions and the actions of their children. Be accountable - make a change and make a difference. Make Spring Lakes a safer community.

VOLUNTEERS NEEDED

Do your part and join the team

Many board members and committee chairs and members are resigning after many years of service. We need others in the community to fill these slots so we can continue with achieving the many goals in place to make this an even better community. If you have a few hours a month to devote to your community, please contact Nancy Carter at ManagerSLHOA@aol.com
